

Objectives and Course description:

Inform and instruct the participants on the advanced applications and methods of Kinesiology taping. The training will involve:

- advanced taping techniques in order to affect muscle activity, tissue correction and pain for multiple conditions
- current research in Kinesiology taping
- introduction of Lymphedema and Edema re-absorption techniques

NOTE: You need to have taken Level 1 Introduction Taping Course in order to take this Level 2 Advanced Taping Course

Recommended attendees: Physiotherapists, Kinesiologists, Athletic Therapists, Chiropractors, Chiropodists, Occupational Therapists, Massage Therapists, Doctors, Rehabilitation Assistants

Training Educators:

Jennifer Howey, B.Sc (PT) is a physiotherapist with many years experience in orthopaedic medicine and acupuncture. Through treating high level athletes, including the Olympic Rowing team, Jennifer has gained manual, taping, and return to sport skills which she incorporates into rehabilitating the downtown office worker, or chronic pain client. Jennifer owns InsideOut Physiotherapy & Wellness Group in Toronto and is a clinical lecturer within the Physical Therapy program at the University of Toronto. Jennifer is a National Trainer for BSN Medical Canada.
